<p>1 Please check all COMPULSIVE SYMPTOMS that you have noticed during the past week. COMPULSIONS are things you feel compelled to do even though you may know the behaviour does not make sense. Compulsions are typically done to reduce fear of distress associated with obsessive thoughts. -- Washing/Cleaning Compulsions -- Excessive or ritualized hand washing (e.g., takes long time to wash, needs to restart if interrupted, needs to wash hands in particular order of steps)</p>	1
<p>2 Excessive or ritualized showering, bathing, tooth brushing, grooming, toilet routine</p>	1
